- 12) *ENVIRONMENT*
- 13) *NUMBER*
- 14) *DAY or NIGHT, DARK or LIGHT*
- 15) *MOVEMENT*

Questions to ask or directives to suggest at almost anytime:

Just tell me what happens next...

Can you give me some more detail?

Can you give me an analogy?

Is there anyone there who can assist us?

Is there anyone we can call to assist?

I wonder _____ (fill in the blank)

Let's find out how this happened?

Let's go back into time and find out how this started....

For the client who states or claims to not "see", here are some basic questions

What are your impressions?

Do you hear anything?

How are you feeling in this place?

Can you describe your internal landscape?

Can you feel or sense your body or form?

What kind of emotions are coming up for you right now?

If you could create an experience right now, what would that be? (Then possibly suggest they do that!)
